

By contracting with **two or more carriers** with **Legacy Benefits Alliance**, you're able to earn **\$500** of marketing credit to your personal account which you reimburse for lead purchases from vendors like [White Glove](#) and [Medicare Express](#). Once you become ready-to-sell with two carriers, you will receive an automated email with the following instructions for how to access:

1. Log into the [Spark Platform](#) and navigate to the "Marketing" page.

If you are not yet on the Spark Platform, look for an email from support@sparkadvisors.com and follow the steps to gain access. Can't find an email? Email support@sparkadvisors.com.

2. Select "View your marketing balance" from the very bottom of the page.

3. Click "Marketing Policy: Marketing Credits" to see the \$500 deposited.

The screenshot shows the "Marketing Earned & Spent" page from Legacy Benefits Alliance. It includes a "Submit a request" button and a "CLICK TO VIEW EARNED COOP" annotation pointing to the "Marketing Policy: Marketing Credits" section. Below this is a table titled "Marketing \$ Earned" with the following data:

Name	# Marketing Credits Earned	\$ Marketing Credits Earned
<Agent Name>	20	\$500
Spark Rewards Bonus	Carrier Rewards Bonus (\$)	Total Marketing \$ Earned
N/A	N/A	\$500

A blue arrow points from the "CLICK TO VIEW EARNED COOP" annotation to the "Marketing Policy: Marketing Credits" section. Another blue arrow points from the "VIEW YOUR \$500 HERE!" annotation to the "\$500" value in the table. The "Total Marketing \$ Earned" row is circled in blue.

4. Click the "Submit a request" button then read and complete the form, being sure to upload receipts from your lead purchase(s).

Reminder, you will also receive \$25 from **Legacy Benefits Alliance** for every Medicare Advantage enrollment you complete and you can access these funds through the same process outlined above.
